

## ALEXANDRA grate

cast bronze sculpture, blackened steel grate

large, 48W x 16D x 5.5H

medium, 36W x 16D x 5.5H

small, 24W x 16D x 5.5H

Steel grates are fire safe, and can be used for holding logs inside a firebox or out. Bronze sculptures should sit in front of fire, not directly in it.

All designs, dimensions and finishes are customizable
