

ANCHOR andirons

cast bronze

standard, 12W x 17.25H

large, 17.25W x 25H

Firedogs are blackened steel and are for light fire use only. For heavier use, a grate should be added. Dogs can be customized to work around existing pipes and firebox conditions. Standard depth is 15"; minimum depth is 3". Logs sold separately.

All designs, dimensions and finishes are customizable
