

## HARRISON grate

fabricated metal sculpture, blackened steel grate

large, 48W x 16D x 8H

medium, 36W x 16D x 8H

small, 23.75W x 16D x 8H

Steel grates are fire safe, and can be used for holding logs inside a firebox or out. Bronze sculptures should sit in front of fire, not directly in it.

All designs, dimensions and finishes are customizable
