

## ZIG ZAG andirons

cast bronze

standard, 11W x 12H

large, 11W x 18H

colossus, 19W x 36H

Firedogs are blackened steel and are for light fire use only. For heavier use, a grate should be added.

Dogs can be customized to work around existing pipes and firebox conditions. Standard depth for standard and large size is 15"; minimum depth is 3". Colossus requires a firedog depth of at least 21". Logs sold separately.

All designs, dimensions and finishes are customizable
